WEAK AND LOW-SPIRITED, A Correspondent Thus Describes His Experience.

"I can strongly recommend Herbine as a medicine of remarkable efficacy for indigestion, loss of appetite, sour taste in the mouth, palpitation, headache, drowsiness after meals with depressing mental depressions and low spirits. Herbine must be a unique preparation for cases such as mine, for a few doses entirely removed my complaint. I wonder at people going on suffering or spending their money on worthless things, when Herbine is procurable, and so cheap." 50c a bottle at W. B. Davis.

GOOD SPIRITS.

Good spirits don't all come from Kentucky. Their main source is the liver—and all the fine spirits ever made in the Blue Grass State could not remedy a bad liver or the hundred and one ill effects it produces. You can't have good spirits and a bad liver at the same time. Your liver must be in a fine condition if you would feel buoyant, happy and hopeful, bright of eye, light of step, vigorous and successful in your pursuits. We can put your liver in fine condition by using Green's August Flower the greatest of all medicines for the liver and stomach and a certain cure for dyspepsia or indigestion. It has been a favorite household remedy for over thirty-five years. August Flower will make your liver healthy and active and thus insure you a liberal supply of "good spirits."
